Answer

MINISTER OF STATE IN THE MINISTRY OF PLANNING(SHRI M.V. RAJASEKHARAN)

(a): Based on the latest available estimates of the Central Statistical Organisation, Ministry of Statistics and Programme Implementation, the rate of growth of agriculture, industry and services sectors during the last three years is given below.

(percent)

Sectors	Agriculture & Allied	Industry	Services
2004-05	(-)0.04	9.75	9.55
2005-06	6.02	9.58	9.83
2006-07	2.68	10.92	11.02

(b) and (c): In agriculture sector, the realised growth rate in 2004-05 and 2006-07 has been lower than the Tenth Plan target. Deficient rainfall is the main reason behind low growth rate in agriculture sector for the year 2004-05.
